PROFILE

Experienced in web design, site maintenance, and marketing from an internship at Pixels Solution, with strong problem-solving abilities, and industry knowledge aimed at driving innovation and impactful results. I also possess a bit of knowledge on automotive services.

WORK EXPERIENCE

Pixels Solution, Central Business District, Abuja

**August – October (2022)
and April-September (2023)**

- Position:** Intern
- Assisted in designing and creating responsive websites to client needs, ensuring user-friendly interfaces.
 - Supported ongoing maintenance, troubleshooting, and updates for client websites (e.g PixPay, EARS) to ensure optimal performance.
 - Contributed to the creation of promotional materials, including flyers and banners, to enhance client branding.
 - Provided training to clients on website usage, empowering them to manage their content effectively.
 - Assisted in the development and execution of digital marketing strategies to boost client product visibility and attract potential buyers.

Ingrace Multiple Concepts, Enugu

July – September (2021)

- Position:** Intern
- Performed routine car maintenance tasks such as oil changes, bolt and nut replacement on tires, and AC filter changes.
 - Assisted in servicing engines, particularly handling cars with engine knocks or mechanical issues, using tools like an engine crane.
 - Managed inventory and kept records of store materials and parts.
 - Supported car sales and customer service by ensuring vehicles were in top condition for clients.
 - Collaborated with the service team on vehicle diagnostics and mechanical repairs.
